### **Please support your local club meet**

Local meets offer a chance to socialise with other MG owners & club members. In addition to the events listed here, many meets organise their own gatherings, days out, visits to interesting places & road runs in your local area. It's not all about the cars, but an opportunity to meet new people, and hopefully, make some new friends along the way.

### **MG Car Club 95th Anniversary**

It's 95 years since the formation of the MG Car Club! There will be special events in 2025 to celebrate this historic milestone. So keep your eyes on the socials and in Safety fast for news.
